03 INFORMATION ONLY - NO PUBLIC OFFER

The content of the Website is provided for general informational and promotional purposes. Unless expressly stated otherwise in a separate written document issued by an authorized representative of Tavush Textile, information displayed on the Website does not constitute:

- a public offer or legally binding commercial offer;
- a quotation or confirmation of price;
- a guarantee of product availability or production capacity;
- an acceptance of an order;
- a contract for the sale, manufacture, supply or delivery of goods;
- professional, legal, financial or technical advice for a specific User.

Product information, descriptions, images, specifications and other Website content are invitations to contact Tavush Textile and discuss possible cooperation. They do not by themselves create any contractual obligation for Tavush Textile or the User.

04 ENQUIRIES AND POTENTIAL ORDERS

The Website may allow Users to submit an enquiry through a contact form by providing their name, email address and message.

Submitting a contact form or sending an email does not place an order, reserve goods or production capacity, confirm a price, or create a contract between the User and Tavush Textile.

All commercial terms are agreed separately with an authorized representative of Tavush Textile, including, where applicable:

- product type and technical specifications;
- quantity and minimum order requirements;
- price and currency;
- production schedule and availability;
- packaging and labelling;
- delivery method, destination, cost and timing;
- payment terms;
- quality requirements and acceptance procedures;
- warranties, claims and returns;
- other terms applicable to the transaction.

A binding transaction arises only when the relevant terms have been expressly confirmed in a separate quotation, order confirmation, invoice, contract or other written agreement accepted by the parties in the required manner.
